

Rev. 10/93

**REMARKS****Summary of Amendments to the Claims**

1. Claims 1-20, 24, 27, 31, 36 and 42 were amended to replace the term "polymer" with the term "copolymer."
2. Claim 42 was also amended to correct a formatting error. In the amended claim, the second "(a)" is replaced by "(b)".

**Response to Items in "Detailed Action"**

The following comments are submitted in response to the items set forth in the "Detailed Action."

**Claim Rejections – 35 USC 112**

2. Claims 1-45 were rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential elements. The Examiner noted that the preamble should indicate that the claimed product is a "copolymer."

Applicants have complied with this request by replacing the term "polymer" with the term "copolymer" in claims 1-20, 24, 27, 31, 36 and 42.

Applicants believe that these claims, and the associated dependent claims, are now in condition for allowance.
